A geometric design consisting of a large rectangle divided into two equal halves by a horizontal line. From the center of this horizontal line, eight lines radiate upwards, extending to the top edge of the rectangle. These lines are symmetrically arranged, with four lines on each side of a central vertical line. This creates a series of triangles and trapezoids in the upper half of the rectangle.

Do You Remember...?

Shannon,
How do you? Did
you have a good year?
I hope you did
cause I like you.
Greg Anderson

- . . . when the tidal wave hit Mrs. Terrill's room?
- . . . how sexy John Pelzer and Tim Hinz looked in their pink and blue dresses?
- . . . the swimming party? Not many do!
- . . . when Billie Calkins and Perry Ellsworth kissed in the IMC?
- . . . when Mr. Ulvestad wrote a dirty word on the board in geometry?
- . . . the hot dog fight in the lunchroom?
- . . . when Elizabeth DeKovic took some very candid candid in the girls' locker room?
- . . . anything you learned this year? . . . anything at all?

Shannon,

Glad I met you this
year! Thank for the
root beer floats! Hope
we are in some classes
together next year!
